COMPOSITE	2.6/70	4.3/83	5.6/81	6.9/77	8.6/79	9.5/75	11.2/74

The first number in each column is the Grade Equivalent Score. If you want to compare your individual Child's score, this is the one to compare. These are the scores for each class compared to when the test was taken.

The second number in each column is the National Percentile Score. This compares our classes with all of the classes in the Nation that took the test in the fall of 2008 based on the norms of fall 2005.
