TUITION SCHEDULE
2009-2010

Tuition at Catholic Grade schools in the Diocese of Phoenix is made up of a number of components: actual cost per student, parish subsidy of the school (which means a reduced price for registered, active parishioners), reductions for more than one child at the school, financial aid and scholarships which can reduce total costs.

As a parish it is our commitment to provide excellent education, at an affordable price while maintaining small class sizes (not to exceed 24 children per class).
