Hot Lunch will begin on Monday August 18. **Please remember to pack a lunch with your child the first week of school.** As you are purchasing uniforms remember our policies, most particularly the policies on socks above the ankle, Mass uniform, length of skirts/skorts, shirts being tucked in. It will still be hot as school resumes so your child is encouraged to bring water bottles to school.

Another reminder to kindergarten and 6th grade parents that there are immunization requirements due at the start of the school year. Also 7th graders need to have had the Varicella (chicken pox) shot or had the disease. Your child will not be able to start school if immunizations are not current. Please bring shot records to the Health office. If you have questions, please contact your physician.

Enjoy the rest of your vacation. God Bless!
